

PROPOSED PROGRAMME JAN – APRIL 2024

DARLINGTON SOCIETY OF ARTS

As usual, Club nights are open to anything you want to do. We make suggestions, but you can just do your own thing!

We are always appreciative of anyone who will volunteer to share their expertise/interest on a clubnight. We all can benefit from each other.

Thursday 11 January		Bruce Mulcahy, an evening working with solid colour ie gouache or other non transparent medium, he is happy for people to use whatever they have that is not transparent
Thursday 25 January Club Night		Watercolour evening. Alan Lister, one of our experienced watercolourist members, will be available to advise. We can provide pictures to try out or bring your own and get help with colour mixing from Alan and other members experienced in watercolour etc.
Thursday 8 February		Young Lyla will model for us. Use any medium – quick or slow sketches! Suggestions on the night but very much for you to enjoy in your own way.
Thursday 22 February Club night		Jigsaw cut up picture – members to paint one or more pieces then it will be joined together.
Thursday 7 March		Julie Macbean will provide another very interesting evening. She never fails to impress! More information by email.
Thursday 21st March		Annual General Meeting – much needed support from members. Please don't leave it to the few! It's your Society. Please bring your views, they matter.
